Explanation of Responses:

- This award of restricted stock units ("RSUs") was made pursuant to the issuer's 2008 Omnibus Incentive Plan (the "Plan") and each RSU represented a contingent right to receive one share of the issuer's common stock. The RSUs would have vested prior to the consummation of a Strategic Transaction, as such capitalized term was defined in the Notice of Grant issued pursuant to the Plan, provided that the reporting person's services to the issuer had not been terminated. The vested shares would have been delivered to the reporting person as soon as administratively practicable following the vesting date.
- The RSUs were canceled by mutual agreement of the reporting person and the issuer. In connection with cancellation of the RSUs, the reporting person received the stock option award reported in this Form 4.
- 25% of the total shares subject to the option vest and become exercisable on each of January 1, 2010, January 1, 2011, January 1, 2012 and January 1, 2013.
