State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q,
N-SAR, or the transition report or portion thereof, could not be filed within
the prescribed time period.

Additional time is required to complete the Registrant's quarterly financial
statements since this report represents the initial filing of Form 10QSB for
the Registrant, which only recently became a reporting company. Because of the
Registrant's limited resources as a small development stage company, the report

It is anticipated that there will be a significant change in quarterly results from the corresponding period in 2001, reflected in the earnings statement to be included in the subject report. It is estimated that the operating loss for the quarter ended March 31, 2002 will be approximately \$(750,000), compared with an operating loss of \$(2,217,945) for the same quarter in 2001, due primarily to the elimination, after December 31, 2001, of a quarterly goodwill amortization expense of \$1,902,367 included in the March 31, 2001 quarter.
